Re: TracFone Wireless, Inc.
Our File: 34395/01500
Docket No. 2009-144-C

Dear Mr. Terreni:

During the September 3, 2009 hearing in the above-captioned matter, the Commission directed TracFone Wireless, Inc. to submit to the Commission as a late-filed exhibit a document which describes TracFone's impact on overall participation in the Lifeline program in the states where TracFone has been designated as an Eligible Telecommunications Carrier. Attached to this letter is a chart which provides that requested information. The chart indicates for each state/jurisdiction in which TracFone has been designated as an ETC the following information:

1. The date that TracFone commenced offering SafeLink Wireless Lifeline service;
2. The number of customers enrolled in SafeLink Wireless (approved applications);
3. The number of Lifeline subscribers in the state/jurisdiction prior to TracFone's commencement of service (based upon FCC data);
4. The percentage increase in each state/jurisdiction's overall Lifeline enrollment following TracFone's commencement of SafeLink Wireless Service.

Since this exhibit contains highly confidential, competitively sensitive data (number of enrolled customers), TracFone respectfully requests that this late-filed exhibit be accorded confidential treatment. Accordingly, enclosed please find a sealed envelope for *in camera* inspection containing the material for which protection is being sought

The Hon. Charles L.A. Terreni, Chief Clerk
